**4. OLD BUSINESS:**

Bob Cantu welcomed the members and Candy Moore reviewed the minutes from the previous meeting to catch everyone up on what had transpired to date.

A. The Charter Committee met several times since the June meeting and put together a very workable charter for the organization. Input was solicited from the membership via email and the final product endorsed by RS/CC. Additionally, the Charter was reviewed by the AETC/JAG and is legally sound.

B. Andy Coppi will spearhead the conception of a website with Karen Gordon of Tagalong Design. Ms Gordon was present at a previous meeting to present her ideas and concepts. RS has a very good website and it appears possible that we can get a hyperlink from their website to ours. This will allow another channel for prior recruiting personnel to find us.

## **5. NEW BUSINESS:**

- A. The members discussed and agreed that the organization has advanced sufficiently and we now need to elect officers. Volunteers were solicited to form a Nominating Committee. This committee will put together a list of members who would potentially be elected to office and would organize and execute the election. Andy Coppi volunteered to head this committee and Joe Kozusko, Don Haygood, Billy McAllan, and Richard Richard rounding out the committee membership.**
- B. Brian Erickson pointed out the need for the committee to put a time line in place so this process can be efficient and officers can be in place as quickly as possible. He suggested, and membership concurred, with the following time line (not set in concrete but should stick as close as possible):**

**29 Jul 07 – Charter done/nominations drafted and out to all members  
15 Aug 07 – Charter and nominations back from all members  
26 Aug 07 – Final Charter and final nominations for voting to all members  
9 Sep 07 - -Charter approved  
10 Oct 07 – (thru 15 Dec 07) Members vote for officers**
